INTERNATIONAL FACULTY SOLVATION SCIENCE

- International network of leading scientists and over 20 top institutions in the US, Europe, Asia, and Israel
- CalSOLV as sister institute of RESOLV in California
- Exchange of knowledge, ideas, and people at all stages of their academic career

EARLY CAREER RESEARCHERS (ECR)

- PhD students, postdocs, and ECR Group Leaders gain early scientific independence
- The ECR Board takes care of the interests of our young scientists
- Own funds for career coaching, soft skills courses on advanced leadership skills, etc.
- ECR Group Leaders work independently with equal rights like tenured professors
