# WORKSHOP-ANNOUNCEMENT

## READY FOR YOUR FUTURE - BROADEN YOUR SKILLSET FOR DIFFERENT CAREER PATHS

A workshop by Start4Chem especially for the RESOLV graduate school

The workshop aims to enable PHD students to...

- identify relevant future trends in their research field
- develop application scenarios for their research
- practice how to structure your ideas through an ideation process
- communicate their ideas and findings to different target groups through the method of pitching

Dates:

29.11 & 08.12.22 as well as 17.01.23 & 02.02.23, 12-16h at ZEMOS  
0.17+0.19

Application possible until november 28th through mail to  
[janwillem.huda@rub.de](mailto:janwillem.huda@rub.de) & [annabelle.beyer@rub.de](mailto:annabelle.beyer@rub.de)
