

# SEMINAR ANNOUNCEMENT

**WEDNESDAY, 27.11.2019**

**14:15 h NC 03/399**

**Benjamin Rotenberg**

*Laboratoire PHENIX, Sorbonne Université, Paris, France*

**"Electrode/electrolyte interfaces:  
insights from classical molecular  
simulations and applications to  
energy storage, blue energy harvesting  
and water desalination"**

**Interested persons are cordially invited to attend!**
