

# SEMINAR ANNOUNCEMENT

WEDNESDAY, 05.02.2020

14:15 h NC 03/399

**Prof. Sapna Sarupria**  
*Clemson University, USA*

**"Chemical and Biomolecular Engineering  
Pushing the limits of simulations of  
complex systems - from nucleation to  
biomolecules; from rare event sampling  
to multiscale modeling"**

**Interested persons are cordially invited to attend!**
